The Sixth Form at Derby Grammar School is the flagship of our school, providing a dynamic environment for study. It's a place where new friendships are formed, where pupils are inspired by new knowledge, and where they begin their journey to their future careers. We offer an academic curriculum of A Levels and the Extended Project Qualification alongside opportunities for pupils to take on leadership roles and participate in a wealth of co-curricular experiences.

This is an exciting opportunity to lead and develop our Sixth Form provision, working with our tutor team and others Heads of Year to ensure excellent outcomes for pupils as well as developing the marketing of the Sixth Form and the recruitment and retention of pupils.

The successful candidate will be an excellent classroom teacher, with the ability to inspire and challenge all pupils to achieve their full potential, as well as an organised and capable leader. This is a teaching role and we are particularly keen to hear from applicants who have a specialism in Design and Technology (Product Design), the Humanities (Geography, History, Religious Studies), Physical Education, or Computer Science.
