Year 7 Induction Day Timetable

We know we can't all be together on Induction Day. But that isn't going to stop us having some great fun with these introductory lessons is it?!

We've asked five of the most super doper teachers in the **WHOLE WIDE WORLD** to create a fun lesson for you to do at home or in the classroom.

Have a look at the timetable below for information about the lessons. Then, find the video on the Year 7 Induction Day webpage to meet the teacher and hear what you need to do next.

Are you ready?

Then let's go!

Timetable

Hello, these are the lessons we will be taking in part in.

Don't they look fun?

Don't worry if you can't complete them all today – you can have a go over the summer holidays, if you want. Just remember to bring any answers or work with you on your first day.

Subject		Teacher	Lesson	Description	You'll need
Science		Miss Walker	Get Groovy! Lava Lamps	Have fun with this science experiment – can you make your lava float?	1 x 500ml plastic bottle Small cup Teaspoon Vegetable oil Vinegar Food colouring
PE & Games		Mr Whitworth	Jump Up! DGS Decathlon	Test your fitness in these ten physical challenges. You can do it! Go! Go! Go!	PE kit Tennis ball Football Tape measure
Design & Technology		Mr Lakritz	Take Off! Paper Aeroplanes	How far will your plane go? Test the performance of your plane.	A4 paper A4 light card Paper clips Blutack Sellotape Ruler Scissors
English		Mrs Watson	Dragons Den! Persuasive Writing	Using persuasive language, you'll promote a piece of fruit or sweetie in your own radio advert.	Pen Paper Sweet or piece of fruit
